

## FAASafetyTeam Flight Instructor Open Forum

At this open forum, we will discuss sinking the possibility of losing control during flight. This interactive presentation also leads the participants in a dialogue on the magnitude of control loss, the critical phase resulting in loss of control and special emphasis awareness. It allows FAASafetyTeam Program Managers and designated FAASafetyTeam Representatives, together with CFIs and DPEs to discuss loss of control. Flight Instructors, Ground Instructors, Designated Pilot Examiners and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.

**Directions:** The meeting will be held in the Pilot's Lounge. See added PDF map directions the Hangar.
